BECOME A MEMBER!

The Pediatric Complex Care Association welcomes new members to join us in our endeavor to better serve children with medical complexity. We offer Active, Affiliate, Corporate and Individual memberships. Talk to one of our Board Members in person this fall or learn more at PediatricComplexCare.org

- » Relevant Best Practices and Innovations
- » Knowledgeable Presenters
- » Tremendous Take-Home Potential

OUR MISSION: To create opportunities for organizations to collaborate, network, share innovations, advocate, and promote excellence in the continuum of care for children with medical complexity and their families.

OUR VISION:

Uniting organizations to provide a combined voice and promote excellence of care for children with medical complexity and their families.

WE ARE DEDICATED TO:

- Serving professionals that provide care to children with medical complexity
- Delivering educational and networking opportunities
- Providing a platform for peer-to-peer support through online exchange
- Promoting partnerships, collaboration and communication among disciplines in the broad field of pediatric complex care
- Developing benchmarks and quality indicators
- Endorsing cost-effective, sustainable care for the pediatric complex care population in an era of health care reform
- Representing the needs of professionals and the patients they serve before government and regulatory agencies, professional societies and the public
- Researching to develop evidence-based standards of care

ACCREDITATION STATEMENT

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Case Western Reserve University School of Medicine and the Pediatric Complex Care Association. Case Western Reserve University School of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

Case Western Reserve University School of Medicine designates this live activity for a maximum of 10.75 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

LEARNING OBJECTIVES

Educational Objectives:

- 1) Identify values of data management in influencing quality and clinical outcomes
- 2) Recognize what is needed for full assessment and what needs to be added to practice better care
- 3) Implement new systems to improve care for children with medical complexity

DISCLOSURE STATEMENT

The policy of Case Western Reserve University School of Medicine CME Program (CWRU) requires that the Activity Director, planning committee members and all activity faculty (that is, anyone in a position to control the content of the education activity) disclose to the activity participants all relevant financial relationships with commercial interests. Disclosure will be made to activity participants prior to the commencement of the activity. Case Western Reserve University School of Medicine CME Program also requires that faculty make clinical recommendations based on the best available scientific evidence and that faculty identify any discussion of "off-label" or investigational use of pharmaceutical products or medical devices.

Credits pending for NHA by National Association of Long Term Care Administrator Boards (NAB). Please visit PediatricComplexCare.org for the latest information.
